RSVP TO ATTEND AIM OPEN HOUSE ON WEDNESDAY

SIA will host an AIM Open House for students and their parents on Wednesday (Jan. 16) at 6 p.m. at the Training and Reception Center. The Advanced Internship in Manufacturing (AIM) program features a two-year degree in Advanced Manufacturing Technology—Industrial Maintenance that combines cutting-edge curriculum, paid work experience, along with learning highly sought-after business principles and best practices for world-class manufacturers.

Attendees will be able to visit with all nine partner companies who provide the internship opportunities for the AIM program. This is a great opportunity to better understand what each company does, as well as the opportunities each company provides for their AIM interns. The Open House also provides the opportunity to speak with students who are currently in the program to understand why they enrolled and discuss their experiences.

Below is the contact information for the partner companies and Tom Schott, onsite coordinator for Vincennes. Feel free to reach out to anyone on this list. Attendees will be able to sign up for facility tours with their companies of interest.

To RSVP for the Open House, contact Bob McQuern at ext. 6171 or bob.mcquern@subaru-sia.com with the names of those who will be attending.

EAT HEALTHIER WITH LOW CARB OPTIONS AT THE SIA CAFETERIA

Many people choose to start off any new year by making healthy lifestyle changes. One way to help kick start a healthy lifestyle is to reduce the number of carbohydrates in your diet. Eurest Dining Services, food provider for the SIA cafeteria, offers many items that fit into a low-carb plan. Low carb options are available at all the favorite food stations:

Breakfast	Made to order omelets and eggs, scrambled eggs, bacon and sausage
Butcher and Baker Deli	Have your protein and sandwich vegetables in a lettuce wrap
Lunch Grill	Order your sandwich without a bun (saves $.50!)
Food with Purpose	Grilled chicken breasts and turkey burgers are served daily, as well as an entrée that is 600 calories or less
Food with Purpose	Daily fresh vegetable sides 1 for $1.29 or 2 for $1.99 (great deal!)

Additionally, the cafeteria offers a full salad bar that includes many low carb items. Cherry tomatoes, cottage cheese and berries are just a few options that make for a great mid-day snack. Want more options? Check out the 'On the Go' cooler which is stocked daily with hard boiled eggs, string cheese and vegetable cups. Nuts and beef jerky are also low carb items.

Many processed packaged snacks have hidden sugars and carbohydrates and should be avoided when focusing on a low carb meal plan. Another tip is to stay away from sugary soft drinks and juices and replace them with water. The cafeteria has 20 oz. bottled water for $.75.

In addition to the low carb options that are already available, the cafeteria will be adding new low carb items and adding informational signage to help guide your choices. As a reminder, cafeteria hours are Monday-Friday, 5 a.m.-9:15 p.m. and on production Saturdays.
